S50

S50

das Multitalent

S50 bietet Architekten und Planern für jeden Einsatzbereich die entsprechend abgestimmte Designlösung. Die moderne Vitra Kollektion zeichnet sich durch eine klare Formsprache aus, die auf runden und quadratischen Designelementen basiert. Diese ästhetische Formgebung kombiniert mit Langlebigkeit schafft gestalterische Vielfalt – für eine individuelle Badgestaltung im privaten, halb-öffentlichen und öffentlichen Bereich.

the all-rounder

S50 provides architects and planners with the coordinated design solution for all areas of application. The modern Vitra collection is characterised by a clear use of shape that is based on round and square design elements. This aesthetic design combined with longevity creates innovative variety – for individual bathroom design at home, in semi-public and public areas.

S50 Comfort

Mit einer klaren Formensprache, die auf runden und quadratischen Designelementen basiert, bietet S50 sowohl für Architekten und Planer als auch für den privaten Bereich die Möglichkeit, Bäder individuell zu gestalten. Ästhetische Innovation, kombiniert mit Langlebigkeit und gestalterischer Vielfalt.

S50 – individuelle Lösungen.

Endowed with a clear structural language based on both round and square design elements, S50 has the potential for creating an individual bath area that appeals to architects, planners and private individuals alike. An innovation in aesthetics combined with longevity and artistic variety.

S50 – individual solutions.
